

CONEMAUGH VALLEY SCHOOL DISTRICT

Mr. Shane Hazenstab, Superintendent

Jeffrey Miller, Jr./Sr. High School Principal

Rebecca Castiglione, Elementary Principal

Eric Miller, Business Manager

September 23, 2019

Dear CVJSHS Parent(s)/Guardian(s):

Your child may be referred to the MTSS (Multi-Tiered Systems of Support) Team a research and best practice based program. General education students who are failing two or more classes and special education students who are failing one class are referred to this team. Students with significant attendance issues such as missing more than 10% of school days and/or repeated office discipline referrals may also be referred to this team. The team consists of both deans of students, special/gifted education coordinator, school nurse, the school social worker, school psychologist, a special/general education teacher and a gifted/general education teacher. It meets monthly and based on the factors above determines which interventions are appropriate for your child. Attached is a sample list of academic and behavior interventions which the team may use. The CVJSHS Faculty works as a team to help implement the student interventions with the goal being that all of our students are successful academically, behaviorally, emotionally and socially.

If you have any questions, comments or concerns, please feel free to contact me.

Thank you,

Michael R. Chappie
Special / Gifted Education Coordinator
