Conemaugh Valley School District TITLE I PARENT AND FAMILY INVOLVEMENT PLAN

The Conemaugh Valley School District is committed to the belief that ALL children can learn and acknowledges that parents share the school's commitment to the educational success of their children.

The Conemaugh Valley School District recognizes that a child's education is a responsibility shared by the school and the family and agrees that to effectively educate ALL students, the school and the parents must work as knowledgeable partners.

We define parent and family involvement as an on-going process that assists parents and families to meet their basic obligation as their child's first educator, promotes clear two-way dialogue between home and school and supports parents as leaders and decision makers at all levels concerning the education of their children.

A written plan for the schoolwide Title I parent involvement that establishes programs and practices to enhance parent involvement and reflects the needs of the students and families will be jointly developed by parents and school staff. The plan will be designing initial and on-going activities.

The plan will also include a school-parent compact and support the development, implementation and regular evaluation of the parent involvement program by parents. Implementation of the plan will be a priority of the school community.
