The Conemaugh Valley Elementary School operates a schoolwide Title I program, which means our Title I funds are used to serve all children in the school. All staff, resources, and classes are part of the overall schoolwide program. The purpose is to ensure all students, especially those considered most academically at-risk, are able to obtain academic proficiency bases upon state academic standards.

The Conemaugh Valley Elementary School will:

- *Provide high-quality curriculum and instruction in a supportive and effective learning environment
- *Hold parent-teacher conferences once in the fall (day and evening hours available) and/or whenever a parent requests a conference with a teacher or vice versa
- *Provide parents with frequent reports on their child's progress. Specifically: at the end of each grading period (report cards); mid-term progress reports; PSSA results when received from the state
- *Provide parents reasonable access to staff. Parents may call the school during the regular school hours of 8:15-3:40. If the teacher is unavailable, parents can leave their name and number, and their call will be returned. Teachers are also available by email.
- *Provide parents opportunities to volunteer and be part of school activities during the school day and beyond. (PTO sponsored events, classroom/school helpers, Family Fun Nights)
- *Involve parents in the planning, review, and improvement of the school's parental involvement policy, the school-parent compact, and the school's Title I schoolwide program
