

## **Section: Narratives - Program Description**

### **INTRODUCTION**

Under the Elementary and Secondary School Emergency Relief II Fund (ESSER II), authorized by the Coronavirus Response and Relief Supplemental Appropriations (CRRSA) Act, the Pennsylvania Department of Education (PDE) awards grants to School Districts and Charter Schools to address the impact that Novel Coronavirus Disease 2019 (COVID-19) has had, and continues to have, on elementary and secondary schools across the state.

Please note: ESSER II funds **cannot** be used for: 1) subsidizing or offsetting executive salaries and benefits of individuals who are not employees of the LEAs, or 2) expenditures related to state or local teacher or faculty unions or associations. ESSER II funds generally will not be used for bonuses, merit pay, or similar expenditures, unless related to disruptions or closures resulting from COVID-19.

**\*ESSER II funds are not Title I funds and as such, are not subject to Title I rules.**

### **Please explain how the LEA will determine its most important educational needs as a result of COVID-19. (3000 characters max)**

The district has utilized CARES Funding, Set Aside Funds, and Learning Loss Funds to address education needs of the students. There is also a need to address the indoor air quality in our High School Building to ensure a safe learning environment for students. The High School Building was originally built in 1967 with some renovation done in 1992. Parts of the HVAC system in the building are original and parts are from 1992. All of which is antiquated and/or nearing end of life. The district is in need of HVAC upgrades that address air filtration and ensure the HVAC is up to current standards for air quality and protecting against viruses, germs, mold, dust, or bacteria.

### **Please explain the LEA(s) proposed timeline for providing services and assistance to students and staff. (3000 characters max)**

The district has engaged an engineering firm to perform a feasibility study and make recommendations of how best to upgrade the HVAC system in our High School. The study and design phase will take approximately 6-8 months. Construction/renovation will take an additional 6 months. Some initial work can be completed during the 2022-23 school year with the bulk of the work being done during the summer of 2023. The project will be completed for the start of the 2023-24 school year.

### **Please explain the extent to which the LEA intends to use ESSER II funds to promote remote learning. (3000 characters max)**

The district used CARES funding to invest in remote learning equipment such as chromebooks and iPads for students and teachers. ESSER II funds will be used to improve indoor air quality in the 54 year old High School Building. The goal is to create a safe learning atmosphere that will allow in person instruction.

**Please describe how the LEA intends to assess and address student learning gaps resulting from the disruption in educational services. (3000 characters max)**

The district has implemented after school programs and summer school learning opportunities for all students using Set Aside Funds. ESSER II funds will be used to improve the air quality and safety in the High School so that after school and summer lessons can continue in a safe manner.

**Please describe the LEA(s) proposed procedures for evaluating local COVID-19 impacts in relation to education programming and delivery. (3000 characters max)**

Areas of emphasis should include:

- Documenting learning loss associated with extended school closure;
- Outlining the development of local continuity of education plans over the course of emergency response efforts; and
- Detailing supports for vulnerable student populations and families.

In order to document learning loss, the district has looked at regression of progress toward IEP goals for students with disabilities, scores on benchmark assessments, and general analysis of factors contributing to student not on grade level with basic reading and writing skills. Due to these issues, the district has made sure that all students have access to chromebooks and internet through loaner programs and hotspots that are available for home use. The district also provides after school tutoring and summer school programs for students who are struggling. All students get free breakfast and lunch and monies are set aside for those who may need assistance due to homelessness or food/clothing insecurity issues. Evaluating the HVAC systems will help us ensure that in person opportunities such as after school and summer learning can happen in a safe way.

**Please describe the LEA core set of strategies that will be used to guide local investment of ESSER II funding, associated with short-range (i.e., remainder of the 2020-21 school year) and long-range (2021-22 and 2022-2023 school years) timelines. (3000 characters max)**

These strategies may entail the establishment, scale-up, refinement, or evaluation of remote learning, as well as strategies for school-based teaching and learning responsive to conditions related to the pandemic. LEAs will be asked to outline how limited, ESSER II funding may support these initiatives and how these funds might interact with other federal funding, including enhanced Title IV flexibility, to ensure strategic and sustainable use of funds.

The district has made sure that all students have access to chromebooks and internet through loaner programs and hotspots that are available for home use. This program will continue as long as needed. The district also provides after school tutoring and summer school programs for students who are struggling. All students get free breakfast and lunch and monies are set aside for those who may need assistance due to homelessness or food/clothing insecurity issues.

**Please describe specific plans, measures, and longer-term evaluative strategies concerning student learning gaps - as well as opportunity to learn factors - stemming from COVID-19. (3000 characters max)**

The district also provides after school tutoring and summer school programs for students who are struggling. In the past, this was targeted toward students who have special needs. In the future, the district is looking to offer these programs to a greater range of students regardless of disability status. The district is also looking to be able to provide breakfast and/or lunch during this time for the students. The district is committed to giving students high quality remote learning opportunities when needed. In order to provide in person learning as much as possible, the district is committed to keeping buildings safe for students. As it relates to COVID 19, the indoor air quality must be good. The district will study our HVAC system needs and perform needed upgrades to improve the air quality in the buildings.

Section: Narratives - Allowable Usage of Funds

ALLOWABLE USAGE OF FUNDS

Check the box before each intended acceptable use classification your LEA is applying to use ESSER II funds to support.

For additional information on cleaning and sanitizing your LEA, please visit the following resources:

[CDC - Disinfectant Decision Tool website](#)

[CDC - Cleaning Guide website](#)

\*If your LEA is spending in an area authorized by the ESEA of 1965, please select option (1), then specify which sub-program(s) will be included by selecting from options "A - L".

- (1) Any activity authorized by the ESEA of 1965.
- (1a) Title I, Part A (Improving Basic Programs Operated by LEAs; Section 1003 school improvement)
- (1b) Title I, Part C (Education of Migratory Children)
- (1c) Title I, Part D (Prevention and Intervention Programs for Children and Youth Who Are Neglected, Delinquent, or At Risk)
- (1d) Title II, Part A (Supporting Effective Instruction)
- (1e) Title III, Part A (English Language Acquisition, Language Enhancement, and Academic Achievement)
- (1f) Title IV, Part A (Student Support and Academic Enrichment Grants)
- (1g) Title IV, Part B (21st Century Community Learning Centers)
- (1h) Title V, Part B (Rural and Low-Income School Program)
- (1i) Subtitle B of title VII of the McKinney Vento Homeless Assistance Act
- (1j) The Individuals with Disabilities Education Act ("IDEA")
- (1k) The Adult Education and Family Literacy Act
- (1l) The Carl D. Perkins Career and Technical Education Act of 2006 ("the Perkins Act")
- (2) Coordination of preparedness and response efforts of local educational agencies with State, local, Tribal, and territorial public health departments, and other relevant agencies, to improve coordinated responses among such entities to prevent, prepare for, and respond to COVID-19.
- (3) Providing principals and others school leaders with the resources necessary to address the needs of their individual schools. See help text for example.
- (4) Activities to address the unique needs of low-income children or students, children with disabilities, English learners, racial and ethnic minorities, students experiencing homelessness, and foster care youth, including how outreach and service delivery will meet the needs of each population.
- (5) Developing and implementing procedures and systems to improve the preparedness

and response efforts of local educational agencies. See help text for example.

- (6) Training and professional development for staff of the local educational agency on sanitation and minimizing the spread of infectious diseases. (For helpful tips on cleaning and sanitizing your LEA, please visit CDC's website, links are provided in the question text above.)  
**\*\*Purchases of Personal Protective Equipment (PPE) are allowable, if not already purchased using ESSER.\*\***
- (7) Purchasing supplies to sanitize and clean the facilities of a local educational agency, including buildings operated by such agency.
- (8) Planning for and coordinating during long-term closures, including how to provide meals to eligible students, how to provide technology for online learning to all students, how to provide guidance for carrying out requirements under the IDEA and ensuring other educational services can continue to be provided consistent with all Federal, State, and local requirements.
- (9) Purchasing educational technology (including hardware, software, and connectivity) for students who are served by the local educational agency that aids in regular and substantive educational interaction between students and their classroom instructors, including low-income students and students with disabilities, which may include assistive technology or adaptive equipment.
- (10) Providing mental health services and supports.
- (11) Planning and implementing activities related to summer learning and supplemental afterschool programs, including providing classroom instruction or online learning during the summer months and addressing the needs of low-income students, students with disabilities, English learners, migrant students, students experiencing homelessness, and children in foster care.
- (12) Addressing learning loss among students, including low-income students, children with disabilities, English learners, racial and ethnic minorities, students experiencing homelessness, and children and youth in foster care.
- (12a) Administering and using high-quality assessments that are valid and reliable, to accurately assess students' academic progress and assist educators in meeting students' academic needs, including through differentiating instruction.
- (12b) Implementing evidence-based activities to meet the comprehensive needs of students.
- (12c) Providing information and assistance to parents and families on how they can effectively support students, including in a distance learning environment.
- (12d) Tracking student attendance and improving student engagement in distance education.
- (13) School facility repairs and improvements to enable operation of schools to reduce risk of virus transmission and exposure to environmental health hazards, and to support student health needs.
- (14) Inspection, testing, maintenance, repair, replacement, and upgrade projects to improve the indoor air quality in school facilities, including mechanical and non-mechanical heating, ventilation, and air conditioning systems, filtering, purification and other air cleaning, fans, control systems, and window and door repair and replacement.

(15) Other activities that are necessary to maintain the operation of and continuity of services in local educational agencies and continuing to employ existing staff of the local educational agency.

Based on your selections above, please complete the table by identifying categories of usage, and providing a description of how your LEA will utilize the funds. The description has a maximum of 1000 characters.

\*For consortium applications, please include a line for each applicable LEA/Usage combination

LEA Name	Allowable Usage of Funds	Description (1000 max characters)
Conemaugh Valley Jr./Sr. High School	(14) Projects to improve the indoor air quality in school facilities...	The district has engaged the services of CJL Engineers to perform a feasibility study regarding the HVAC systems in the Jr./Sr. High School Building. The engineers will be making recommendations on how best to upgrade the HVAC system to improve indoor air quality in the building. Possible approaches to improving the indoor air quality are Needle Point Bipolar Ionization, Ultra-Micro Particle Air Filtration, Concentrated Ultraviolet Lighting, and Mutable Humidification.

**Section: Narratives - ESSER II Fund Assurances**

**ESSER II FUND ASSURANCES**

LEAs that receive more than \$150,000 in CRRSA Act funds will complete quarterly FFATA reports, including the following data: (LEAs receiving less than \$150,000 please select 'NO')

- The total amount of funds received, the amount spent or obligated for each project or activity,
- A detailed list of all projects or activities supported with CRRSA Act funds including:
  - Name
  - Description
  - Estimated number of jobs created or retained (where applicable)
- Detailed information on subcontracts and subgrantees, including FFATA data elements, as prescribed by OMB.

Yes

LEA will, to the greatest extent practicable, continue to compensate its employees and contractors during the period of any disruptions or closures related to COVID-19 in compliance with section 315 of Division M of the CRRSA Act. In addition, each entity that accepts funds will continue to pay employees and contractors to the greatest extent practicable based on the unique financial circumstances of the entity. CRRSA Act funds generally will not be used for bonuses, merit pay, or similar expenditures, unless related to disruptions or closures resulting from COVID-19.

Yes

The LEA will cooperate with any examination of records with respect to such funds by making records available for inspection, production, and examination, and authorized individuals available for interview and examination, upon the request of (i) the Department and/or its Inspector General; or (ii) any other federal agency, commission, or department in the lawful exercise of its jurisdiction and authority.

Records pertaining to the ESSER II Funds, including financial records related to use of grant funds, will be retained separately from those records related to the LEA's use of ESSER Funds.

Yes

LEA maintains inventory records, purchase orders and receipts for equipment (over \$5,000) purchased, Computing Devices, Special Purpose Equipment (\$300 - \$4,999), and will conduct a physical inventory every two years. Please note: Inventory of equipment purchased with federal funds must be broken out by funding source.

Yes

The LEA will comply with all reporting requirements, including those in Section 15011 of the CARES Act

**Project #: FA-200-21-0095**  
**Agency: Conemaugh Valley SD**  
**AUN: 108111403**  
**Grant Content Report**  
**Elementary And Secondary School Emergency Relief Fund (ESSER FUND)**

and section 313(f) of the Division M of the CRRSA Act and submit required quarterly reports to the SEA at such time and in such manner and containing such information as the SEA may subsequently require.

The report must provide a detailed accounting of the use of funds, including how the LEA is using funds to measure and address learning loss among students disproportionately affected by coronavirus and school closures, including low-income students, children with disabilities, English learners, racial and ethnic minorities, students experiencing homelessness, and children and youth in foster care. The SEA may require additional reporting in the future. (See also 2 CFR 200.328-200.329).

Yes

Any LEA receiving funding under this program will have on file with the SEA a set of assurances that meets the requirements of section 442 of the General Education Provisions Act (GEPA) (20 U.S.C. 1232e).

Yes

To the extent applicable, an LEA will include in its local application a description of how the LEA will comply with the requirements of section 427 of GEPA (20 U.S.C. 1228a). The description must include information on the steps the LEA proposes to take to permit students, teachers, and other program beneficiaries to overcome barriers (including barriers based on gender, race, color, national origin, disability, and age) that impede equal access to, or participation in, the program.

Yes

## **Section: Narratives - ESSER II Reporting**

### **USES OF FUNDS**

LEAs may be required to track the following expenses if they were selected in the Usage of Funds section.

- Purchasing educational technology (including hardware, software, and connectivity), which may include assistive technology or adaptive equipment
- Activities focused specifically to addressing the unique needs of low-income students, children with disabilities, English learners, racial and ethnic minorities, students experiencing homelessness, and foster care youth
- Providing mental health supports and services
- Sanitization and minimizing the spread of infectious diseases, including cleaning supplies and staff training to address sanitization and minimizing the spread of infectious diseases
- Summer learning and supplemental afterschool programs
- Other (uses of funds not included above)

I understand that I may have to report on the requirements listed above.

Yes

### **HOME INTERNET ACCESS**

LEAs may be required to report on the types of services provided if funds were spent on home internet access (purchasing educational technology which includes connectivity) for students. Types of services may include any or all of the following:

- Mobile hotspots with paid data plans
- Internet connected devices with paid data plans
- District pays for the cost of home Internet subscription for student
- District provides home Internet access through a district-managed wireless network

I understand that I may have to report on the requirements listed above.

Yes

### **LEARNING DEVICES**

LEAs may be required to report on the number of students that received devices per grade span (elementary vs. secondary) and the proportion based on total enrollment if funds were spent on learning

devices for students.

I understand that I may have to report on the requirements listed above.

Yes

## **STUDENT PARTICIPATION AND ENGAGEMENT**

LEAs may be required to report on all methods used to document student participation and engagement during remote learning if funds were used to develop, initiate and/or implement remote learning. Methods may include any or all of the following:

- Submission of assignments
- Participation in assessments
- Tracking student logins to online learning platforms
- Participation in individual coaching or check ins
- Participation in email, text or other electronic communication
- Participation in help lines or hot lines for help with remote learning
- Participation in synchronous online classes
- Other

I understand that I may have to report on the requirements listed above.

Yes

## **FULL TIME EQUIVALENT POSTIONS (FTE)**

LEAs may be required to report the number of full-time equivalent (FTE) positions employed in the LEA. *(The number of FTE positions includes all staff regardless of whether the position is funded by Federal, State, local, or other funds—and equals the sum of the number of full-time positions plus the full-time equivalent of the number of part-time positions.)*

I understand that I may have to report on the requirements listed above.

Yes
