

Dear Conemaugh Valley Family,

We are pleased to announce that starting on **Wednesday, June 5, 2024**, we will begin our summer long **free meal pick up** for all children living within the district that are age 18 or younger. Pick up will take place **every Wednesday** at the High School main entrance. Each child will receive **5 days** worth of breakfasts and lunches as well as low fat milk and 100% juice. There are no income guidelines and this is not just for families in need. Your support of this meal pick up provides funding to the cafeteria so that we may continue this program all summer long.

We appreciate the opportunity to continue doing what we do best.....feed children! Thank you in advance for your support of our food service program. We look forward to serving you this summer!

We will be sending weekly district wide text reminders with pick up times.

Please make sure your phone number is updated in our school records.

Pick-ups will be every Wednesday from 11:00-1:00 and 3:00-5:00 at the High School main entrance
